NOW LET'S UNDERSTAND SELF

For all the answers you penned down in the previous slides, ask yourself *'why'* and write your reasons clearly in sentences?

Example:

Do I write everyday or occasionally?

ANS: I write everyday. WHY? I write everyday because the writing helps me calm down, and I enjoy this time alone with myself.

(if you chose occasionally, you would write your reasons for it)

Collect and study your answers for 'why' and compose a short summary of yourself as a writer.
